

Volunteer Spirit Form

Here at CAM we are well aware of the fact that many of our residents spend a large portion of their days doing some kind of volunteer work. We would like to be able to give them recognition for that as well as remind those who live outside SCG how much our community contributes. If you are one of these wonderful volunteers, please fill out this form and drop off in drop baskets located in community. Please Print.

Resident Expert Form

What did you do in your former life that might be helpful to CAM on a limited basis? Mitzi is gathering a list of resident experts in a variety of areas so that if we need some “expert” advice from time to time, we can call on you. If you are interested in being on the “resident expert” list for any field (could be legal work, plumbing, electrical, sewer, landscaping, energy conservation, building, waterworks, heating/cooling, etc.) please fill out this form and drop in the drop boxes provided within the community so that we may begin to compile the list. Thanks. Please Print.

College Night Volunteers

The Intergovernmental Advisory Committee is wondering whether or not some of our residents would be interested in presenting a college night for juniors from the Dysart High Schools. Our residents would represent their out-of-state alma mater at this event. This would be your opportunity to tell high school students how wonderful your alma mater has been for you and what it can do for them. Obviously there would be some communication necessary to have the University provide up-to-date information as handouts for the students but the Committee thought this might be a good way for our residents to get a chance to interact with high school juniors and get them thinking about colleges outside of Arizona. Some of us have such a powerful draw to our alma mater that it would be wonderful to be able to share that with others. If you are interested in joining this event, please fill out the pertinent information below and drop in the drop boxes provided within the community. Please Print

Are you interested in joining a PRIDE group to go around SCG checking for liter and making sure the place is extremely clean and neat? Re-stocking the pet-mitts, etc. If so, please fill out this form so that we can give the information to a fellow resident who wants to start this group and make it work. Please print your information for clarity.
